

In the Specification:

Please replace the paragraph [0011] appearing on page 3 of the originally filed application with the following amended paragraph:

FIG. 3 is a partially cutaway side elevation view of the ventilation-pipe cap shown in [[HG.]] FIG. 1, but with slightly tapered cylindrical walls for a push-on fit of the internal periphery of the cap sleeve onto the external periphery of the ventilation pipe;

Please replace the paragraph [0019] appearing on page 4 of the originally filed application with the following amended paragraph:

FIG. 11 is a partially cutaway fragmentary view of the cap fastener that [[10]] includes the fastener sleeve with tapered threads onto which matching tapered threads of the cap sleeve are screwed and the fastener sleeve is adhered to the ventilation pipe;

Please replace the paragraph [0022] appearing on page 4 of the originally filed application with the following amended paragraph:

FIG. 14 is a section view of the FIG. 13 illustration through a section line 13-13 of [[F.IG.]] FIG. 13.

Please replace the paragraph [0023] appearing on page 4 of the originally filed application with the following amended paragraph:

[[Fig.]] FIG. 15 is a side elevation view of a ventilation pipe.
